Fund a child's education at Villa Marie

After struggling in other school situations, special needs children & their parents find Villa Marie a welcomed alternative where they find acceptance, teachers & staff that understand them, feel valued and cared for. A qualified child is never turned away due to a family's financial situation. All our families receive some form of scholarship, & donations from kind people in our community bridge the gap between the parent tuition we receive, and the actual costs incurred. Without our generous donors we would not exist to educate these precious children. Will you join us today in providing a child with an education that will build their self-esteem, help them learn to advocate for themselves, and build their courage and confidence in a safe, loving environment designed specifically to help them grow and be successful?
